

White Shirt 12 Ways-Part 3!

Counting down our last four looks with our wardrobe staple the white shirt. We used a Ralph Lauren CHAPS linen three-quarter sleeve, button-down shirt that I found for \$4.99 at my nearby Goodwill Retail Store & Donation Center! It was impeccable and totally perfect to utilize as a basis for so many different looks. This is a great illustration of why you really only need one GREAT white shirt to add to all the other separates you have or purchase. Keep in mind fabric and cut, or how the shirt fits you. This week you'll see how we styled our last four looks!!!

LOOK 9

Is a classic "ladies who lunch" look, which would also work well for business. The Cyrus sweater for \$3.99 has great details like the cuffed sleeve and the dark piping, which make it instantly stylish. The rolled sleeves look great here, and the skirt with a subtle pattern by Lord & Taylor for \$3.99 makes it elegant. The layered beads, three @ \$1.99 each, add a dressy feel.

LOOK 10

Is a romantic spring/summer look! This time our shirt is used as a jacket over a new Isaac Mizrahi cotton dress for \$4.99. The gold braided belt for \$1.99 is so nice here and adds a little shine. I accessorized with a vintage pendant and earrings (not shown) for \$6.99. They had a subtle floral carving on a gold background. Because of the beach feel, I would pair this with metallic ballet flats or sandals. What a great summer evening look.

LOOK 11

Is a prepped up style that has a retro vibe. The denim vest is nicely tailored and was only \$3.99, and we paired that with the jaunty plaid Charlotte Russe mini for \$3.99. To give it European schoolgirl dash I added an 80s style lapel pin for \$1.99, and a strand of pearls for \$1.99. Wear tights and boots with this to toughen up the look!

LOOK 12

Is really all about the jacket as our white shirt plays a supporting role. The Breckenridge jacket for \$4.99, and Petite Sophisticate skirt in a neutral tan for \$3.99 play well off of each other. Adding in a vintage lapel pin for \$1.99, and of course my favorite accessory pearls for \$1.99. It's perfect for the office and beyond.

LOOK 13

Is my bakers dozen! I LOVED this cashmere/silk sweater by Whistles for \$4.99, and just had to show you how the white shirt here just pops with the color and texture of the sweater. A denim skirt for \$3.99 by SO make this outfit perfect for school—classy and sassy. The crazy necklace was just so cool I had to use it! For \$1.99 the colors and shape are great with our striped sweater. I would recommend tights or knee socks, and some kind of cool Frye boot with this!

See what you can put together on your own using a white shirt as your basic piece. The possibilities are endless and all you have to do is head to your local Goodwill Retail Store. This challenge was so much fun that it will become a regular feature of my articles on amazinggoodwill.com. Ideas are what Goodwill is all about. The prices allow you to experiment and grow your fashion sense inexpensively, and you help support community programs in your area! It's a win/win! So stop by every week and see how to put your AMAZING Goodwill fashion finds to great use in defining your personal style!
