

Just For Dads!

With Father's Day upon us, many of us children are looking for the perfect gift to give our dear old dad! Look no further than the Goodwill Retail Store & Donation Center nearest you! Whether your dad is a sports nut, grill master or gardener, there are items that every dad could use for only pennies on the dollar. Below is my top five list of things every dad should have to perk up his wardrobe, or at least replace some of the more questionable pieces he might have acquired along the way!

1. Polo Shirts.

These are the most useful shirts in any man's wardrobe. In a variety of styles and colors to complement any guy. Look for name brands like Ralph Lauren, Calvin Klein, and Tommy Hilfiger to add a little more cachet to his closet. They are comfortable, fashionable, easy to wear and are sure to please dads of all ages and body types.

2. Board Shorts.

The sheer variety of colors and styles in these sturdy shorts make them an instant summer "go to" item for the discerning dad. Whether at the pool, beach or just hanging out in the back yard at home, dad will love the way they look, and keep him cool and cool looking at the same time.

3. Men's Accessories.

With accessories you just can't go wrong. Look for wallets, sunglasses, watches, etc. that any dad could surely use.

4. Sports Apparel.

Does your dad need a new gym bag? Always be on the look out for new and gently used sports apparel at the Goodwill Store. I recently found some great Nike trainers that were brand new for just \$4.99. As well as, workout gear like tank tops, shorts and sweats are welcome additions for the sporty dad. Golf equipment and the like are also popular as a great gift.

5. Goodwill Gift Cards!

A gift card is always a great way to show dad how much you care, and how much you support community programs that Goodwill provides. This way dad can come in the store and choose whatever he wishes from the large array of ever-changing merchandise for sale. Better yet make it a date and accompany dad on his "shopping spree"!

Just keep in mind that good style, taste and fashion sense doesn't have a price tag, so if you can save a little green by shopping at the Goodwill Store, what could be better "fatherly fashion advice" than that! Stop back next week to see what I did with a tailored cotton jacket I bought at the store near me!
