

One Item 12 Ways-Part 3!

Little Black Dress

Wow! We are at the **"12 Looks Grand Finale"** using the same item as our base—the little black dress by Harold's for just \$4.99! I wanted to illustrate just how easy it can be with a little imagination, and your local Goodwill Retail Store & Donation Center, to take your wardrobe to new heights of glamour and style. The dress was a very simple shape with very little detail, and I knew it would lend itself to many looks.

Look #9

Apt. 9 off the shoulder blouson top \$3.99. With a top like this we get a peasant look that softens the line of the dress. I would pair this with flats, and a large shoulder bag. Daytime dressing at its best!

Look #10

S.O. silver, black and grey striped fitted blouse \$3.99, silver chain like necklace \$2.99, black cloth belt \$1.99. This is another way to do the office look. Professional, polished, and sassy! Wear this look with tights and Mary Jane shoes, and you can't go wrong!

**Look #11**

Laura Henson bold ethnic print swing coat \$4.99, beaded chain necklace \$2.99, choker beaded necklace \$1.99. This look says confident, creative, and colorful. I would pair this with dressy high-heeled boots, and a simple clutch purse, so as not to take away from the graphic print of the awesome coat!

Look #12

Evening skirt in poly chiffon \$3.99, pewter and pearl pendant necklace \$2.99. Who knew I would find this lovely skirt and be able to create a wonderful evening look from our LBD? You would certainly be the belle of the ball in this unbelievably pretty look. Paired with a high-heeled sandal or classic satin pump, and a great glittery evening bag, and you'll ring in the New Year with class!
