White leather bag—(Kathy)

This month Bjorn wanted to show pattern mixing and layering for spring. On our model Kathy, he starts with a J Crew pastel floral dress in a subtle print, tops that with a sheer floral top in complementary tones of peach, mint, and beige. To accessorize he utilizes snakeskin shoes, white earrings and Kathy's favorite item, her white patent leather bag.

To take some of the elements of this outfit in another direction, Bjorn simply swapped out the dress for some plaid Bermuda shorts in a similar color palette to the top we already used. Adding a green velvet belt, and keeping the white earrings, handbag and snakeskin shoes make this a fun and funky look!

Amanda – Summer Fun!

My favorite item is my turquoise necklace. It was a gift from my parents, so it means a lot to me.

Blue sequined top, Brand New, The In Shop-\$3.99 (Goodwill)

American Eagle Outfitters white dress-\$4.99 (Goodwill)

Mix It strappy white heels-\$4.99 (Goodwill)

Silver hoop earrings-\$1.99 (Goodwill)

Turquoise necklace (Amanda)

Amanda's favorite item is her turquoise necklace, so Bjorn took a cue from that brilliant color to create a fun summery look. Starting with a strapless white cotton dress, he layered on a new ethnic inspired tunic top in a peacock blue that worked well with Amanda's Brunette hair and darker features.

Adding on some silver hoop earrings, as well as some strappy sandals, helps keep the look sophisticated and classy. Now her beautiful necklace really has a chance to shine in this bright and light ensemble.
